## STEP 1

Assemble the upper legs(B) to the lower legs(C) as follows:  
Use 8 Short Screws(J) and 8 colored knobs(M) for this step  
to make the two identical leg assemblies as shown below.

**NOTE:** The numbers on the upper legs and the lower legs should face each other for proper assembly.

Match the #1 on the upper leg to the #1 on the lower leg.

Do the same for the #2 on the upper and lower legs.

Parts needed for this step:

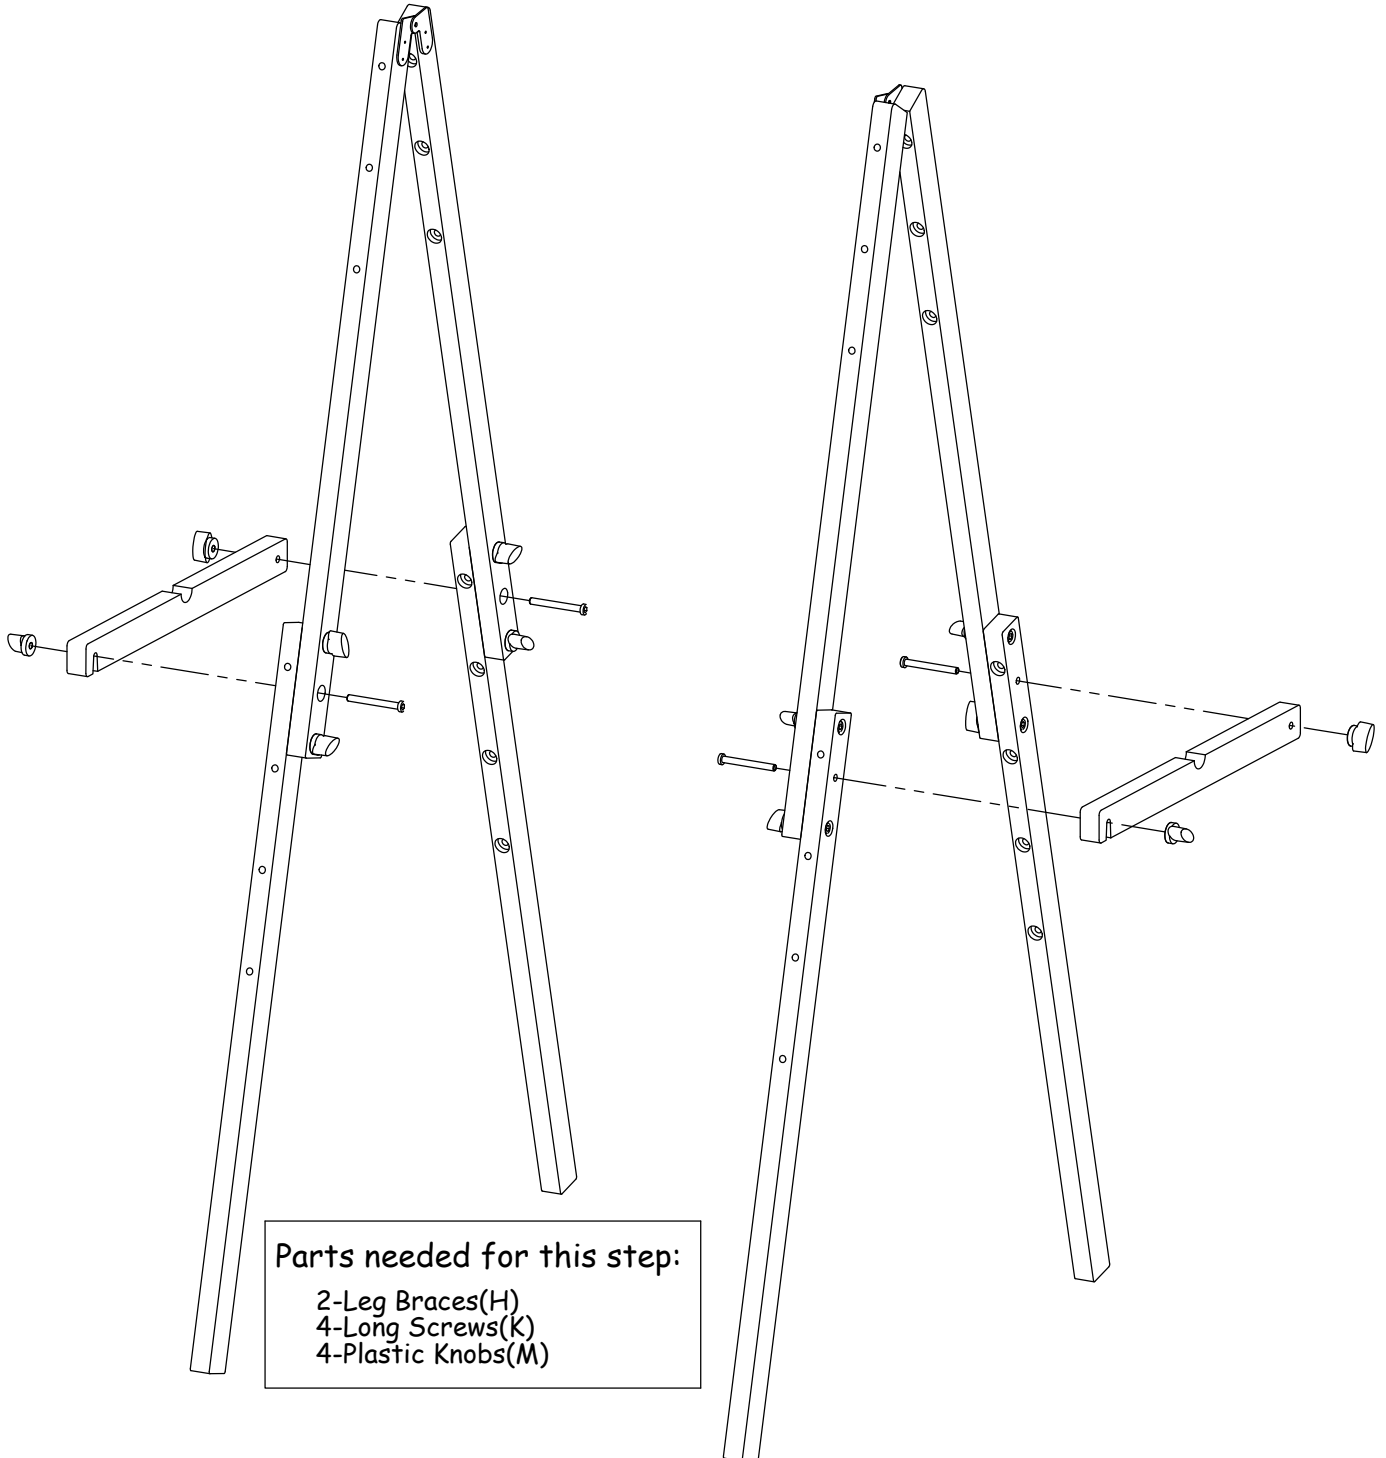

- 2-Upper Leg Assemblies(B)
- 4-Lower Legs(C)
- 8-Short Screws(J)
- 8-Plastic Knobs(M)

Tighten all screws and knobs using the supplied Allen Wrench (L)
