Customer Review– Atacama Eris2 Eco 5.0 ,5 modules

“The **Eris2 Eco 5.0 hi-fi stand** (natural bamboo/diamond white) is outstanding.

It looks the part and plays the part.

My hi-fi now looks like it belongs in a hi-fi shop!

Together with the matching Moseco 6 stands my set up now feels fully supported.

The customer service from Atacama has been outstanding throughout the sale process even in the difficult times of the Coronavirus Pandemic with advice on expected delivery and availability.

My customer experience has been excellent – my thanks to all involved.”

Best Regards,
